

KEEP YOUR ADVENTURE FROM MELTING INTO THE SNOW

NEW FOR 2016

INTRODUCING THE YETI PAD!

The Yeti Pad features:

1. A lightweight design tough enough for any mountaineer.
2. Insulating silicone material ensuring you can use your stove in the snow for hours, worry-free!
3. Reinforced holes to anchor your Yeti Pad to the ground in bad weather.
4. Roll up and secure your Yeti Pad for easy storage or clip it to your pack!

The Yeti Pad...

keep your adventure from melting into the snow!
